"The Horizon Foundation is donating \$1 million in grants to various Howard County health institutions and organizations that are working during the coronavirus pandemic.

Howard County General Hospital is receiving the largest grant of \$500,000. This grant will go toward keeping all 'frontline health care workers safe, housed and fed' during the pandemic, as well as providing technology to patients so they can be in touch with loved ones, according to a Monday news release.

The Horizon Foundation, an independent philanthropy dedicated to improving the health and wellness of county residents, is spreading the funds among local mental health organizations, homeless shelters and residential programs, and is helping provide personal protective equipment to those in need.

'The Horizon Foundation is committed to helping our community address rising needs, particularly for our heroes fighting the pandemic on the front lines and our most vulnerable community members,' Greg Olaniran, Chair, Board of Trustees for The Horizon Foundation, said in a statement. 'Together, we will get
