

msk client foxo featured in yahoo! finance for merger with delwinds insurance acquisition corp.

February 25, 2022

MSK client FOXO was featured in the article, "FOXO Technologies Inc. Enters Into Business Combination Agreement with Delwinds Insurance Acquisition Corp.," published by Yahoo! Finance on February 24, 2022.

From the article...

"As a result of the transaction, which values the combined company (the "Company") at an estimated enterprise value of \$369 million, FOXO is expected to become publicly listed and plans to trade on the NYSE under ticker symbol 'FOXO'. Proceeds from the merger are expected to accelerate the development of FOXO's platform to offer saliva-based epigenetic biomarker underwriting technology and consumer engagement services to the global life insurance industry."
