MSK was highlighted in the article, "The Biggest Copyright Rulings of 2022," published by *Law360* on December 16, 2022. The article features our win defending clients in a suit in which the Ninth Circuit affirmed a lower court's decision to throw out a \$2.8 million copyright verdict against singer Katy Perry over her 2013 hit "Dark Horse," finding the disputed portions of a Christian rapper's song consist of "manifestly conventional" elements.

The MSK team included Christine Lepera, Jacob Albertson, Jeffrey Movit and Gabriella Nourafchan Ismaj.
