Jeffrey Eisen was featured on the *Today Show* on January 31, 2023. He appears in a segment regarding the recent death of Lisa Marie Presley and the petition her attorneys made against her mother, Priscilla Presley, after Priscilla's court challenge of Lisa's will. He is also quoted in the accompanied article on the *Today Show* website.

Jeff's sound bite appears in the video titled, "Priscilla Presley challenges validity of Lisa Marie's will," at the 1:01 mark.

From the article...

"Jeffrey Eisen, a trusts and estates attorney, told TODAY he thinks the petition raises some questions.

'What really jumped out at me from the petition was that it said that Priscilla and Mr. Siegel are already the trustees during Lisa Marie's lifetime,' Eisen said. 'That itself is unusual. Usually people are their own trustees while they're alive.'"
