Jonathan Turner authored the article, "The End of the Summer of (Labor) Love," published in Production.Ink on September 4, 2024.

In the article Jonathan discusses the major labor unrest the entertainment industry recently experienced due to back-to-back strikes by the WGA and SAG-AFTRA in 2023 and looks ahead at the landscape of labor negotiations in the industry.

Production.Ink is a website and e-newsletter that discusses the business of production in the entertainment industry.
