

adam levin mentioned in several publications covering "real housewives" lawsuit

November 19, 2024

Adam Levin was mentioned in several publications covering the first hearing in a lawsuit brought by a former "Real Housewives of New York" star alleging toxic work environment and retaliation, among other claims.

From *The Hollywood Reporter*...

"Adam Levin, a lawyer for defendants including entertainer Andy Cohen, one of the show's producers, and the Bravo channel, told the judge that the lawsuit's allegations were protected by the First Amendment and that it should be dismissed at a stage in which the judge is required to assume the allegations are true."
