## msk represents safe security

---

April 21, 2009

Lessing Gold and Daniel Leon, represented SAFE Security, one of the nation's largest security alarm companies, in the successful negotiations of a new \$25 million senior credit facility with Bank of America, which was closed on April 17, 2009. In conjunction with the credit facility transaction, MSK also assisted SAFE's management team in the final negotiations and closing of its acquisition of California Security Alarm, a San Ramon, California-based company that is a UL Listed central station with approximately 4,200 accounts.
