

jeffrey davine quoted in *san francisco chronicle*

July 10, 2009

Jeffrey Davine is quoted in the *San Francisco Chronicle's* article "Fiorina failed to register business, foundation," regarding the failure of former Hewlett-Packard CEO Carly Fiorina to register her charitable foundation, Carly Fiorina Enterprises, with the IRS or California's attorney general's charitable trust division. Davine cautions: "If you want to give your money away and claim a tax deduction, you want to set up a true private foundation."
