

the hollywood reporter names russell frackman to its list of 2007 "power lawyers"

August 6, 2007

In selecting Russell Frackman as one of the entertainment industry's Top 100 Outside Counsel, *The Hollywood Reporter, Esq.* acknowledged that "Frackman has helped shape the music industry's complex relationship with technology," noting two potentially precedent-setting intellectual property cases that MSK recently handled. RIAA President Cary Sherman referred to Russ as "one of the premier experts in copyright law" and "a world-class litigator."
