MSK Partner Gary McLaughlin was quoted in the article, "7 Cases For Wage-Hour Attys To Watch In 2024," published by *Law360* on January 1, 2024.

*From the article...*

"The California Supreme Court **is considering** whether Proposition 22, a law **voters approved** in 2020 that enshrined independent contractor status for app-based gig workers, violates the state constitution... Gary McLaughlin, a Mitchell Silberberg & Knupp LLP who represents California employers, told *Law360* it's hard to predict how the state Supreme Court will rule.

'Conventional wisdom is that if you have an employment case before the California Supreme Court, more likely than not, it's probably going to favor the employee,' he said. 'I think it's a fairly tough order to get a proposition passed by the electorate to get overturned.'
