

beam them up: a guide to porting h-1b aliens to your company

October 2009

It seems too good to be true. After a months' long search, you've found a perfect candidate for the job, She's got the perfect academic credentials and just the right type and amount of experience - seems like a natural fit all around. Your department heads are pressing you, telling you that they need her yesterday for a critical project, and are anxious to get her on board as soon as possible. Yet during the callback interview she pauses, and says there is on small thing you have to know about. She is on an H-1B visa with her current employer.
