David Rugendorf's article, "Immigration Compliance Aids Foreign Graduates" was published in *University Business* on December 1, 2015.

From the article...

"Just imagine this nightmare scenario playing out at your institution of higher education: armed agents in navy blue "FBI," "ICE" and "DHS" windbreakers wandering the halls, stuffing files into boxes marked for evidence, removing and taking possession of computer hard drives, and sealing off rooms with yellow tape."
