Taxation of Exempts

March/April 2009

David Newman and Jacey Hayes co-authored "An Updated Guide to Donor-Advised Funds," which appears in the March/April 2009 issue of *Taxation of Exempts*.

Donor advised funds, the fastest-growing charitable giving vehicle, are both effective and affordable. In this article, David and Jacey explain how donors and charities can maintain a successful donor advised fund program while complying with the new regulatory scheme.
