Emma Luevano and Sarah Wirtz co-authored the article, "Sexual Harassment in Today's Workplace" which was published on *LatinBusinessToday.com* on January 30, 2018.

From the article..

"As we all have seen, sexual harassment has dominated the news for months.

There is no indication that the focus on sexual harassment will abate any time soon, and employers of all sizes in all industries should make sure that they are prepared to investigate and address sexual harassment complaints, should they arise."
