

School & Higher Education

We understand that a school is a complex institution with many distinct responsibilities. We work closely with every school district and higher education client to help them balance their obligations as an employer, a workplace, a social services agency, a financial institution and a governmental body. Our experience with constituent and public relations means that we can account for school districts' need to communicate effectively with the public on almost everything they do.

We serve more than 100 public school districts, as well as numerous universities and technical colleges.

Our services include:

- Constitutional Obligations of School Districts
- Construction Contracts and Real Estate
- Employee Benefits
- Employment Litigation
- General School Law
- Immigration
- Insurance Claims
- Intellectual Property
- Labor and Employment
- Public Finance
- Public Records
- Pupil Rights, Responsibilities, and Discipline
- Tax
- Teacher and Administrator Contracts
- Trusts, Estates and Succession Planning
- School Law Litigation
- Special Education
