

Wellness & Nutrition

Our team counsels members of the health club, boutique fitness, industry supplier, and wellness community in a wide array of legal and business matters. Our experience includes issues involving employment agreements (including non-competes), raising capital, personal injury claims and litigation, intellectual property and idea protection, data privacy, as well as compliance with various federal, state, and local laws. Industry leaders rely on our attorneys' ability to handle transactional and risk-related issues unique to this community.
