Overview

As managing partner of our Indiana operations, Steve draws on his management and practical business experience to contribute to the firm's strategic growth. Prior to joining the firm—and after a 25 year career with Eli Lilly and Company, where he served in senior management and on the board of directors—he served as chairman of PNC Bank, Indiana, president of National City Bank in Indiana and executive vice president of National City Corporation.

Since joining the firm in 2015, Steve has been instrumental in the growth and success of our Indianapolis office and the firm as a whole. He works to drive tactical planning, recruit new talent, and maintain the trust of the firm's growing client base.

Outside the office Steve enjoys sports and spending time with his family.
