## PARALEGAL

### Overview

Kayla supports attorneys and clients through the preparation of wills, trusts, powers of attorney, and other key estate planning documents. She gathers and organizes financial information, maintains detailed files, and keeps communication flowing so clients feel informed and supported throughout the process.

In addition to estate planning, Kayla provides support in corporate and real estate matters, including entity formation, document preparation, and transactional coordination. Her focus is always on accuracy, clarity, and creating a smooth experience for every client.

### SERVICES

Corporate & Securities

Real Estate, Zoning & Public Finance

Trusts, Estates & Succession Planning
