PARTNER

Overview

Kevin builds comprehensive strategies with his clients that allow them to reach their business goals. As a successful entrepreneur and attorney with a background in engineering, Kevin can offer his clients a unique, multi-point perspective. He focuses his practice on asset protection, business succession planning and corporate law.

Kevin enjoys working with businesses of all sizes. He has an exceptional track record in helping start-ups and small businesses scale their companies and improve efficiencies. Kevin believes in partnering with his clients. He takes the time to truly understand their businesses so he can best advise them on growth and performance strategies.
