PARALEGAL

Overview

Laura focuses on serving clients across industries such as manufacturing, food & beverage, medical devices, and household goods. She plays a pivotal role in navigating the intricate realm of protecting client's intellectual property.

Her responsibilities encompass drafting meticulous letters to clients comprehensively reporting patent, trademark, and copyright prosecution. Laura further excels in investigating copyright, trademark, and patent infringement, ensuring the safeguarding of clients' intellectual property rights.

In her role, Laura adeptly docket patent and trademark prosecution events, facilitating a streamlined legal process. Her expertise extends to the intricate task of preparing and filing patent and trademark applications with the United States Patent and Trademark Office, a critical component of safeguarding clients' intellectual assets.
