FINANCIAL REPORTING AND SYSTEMS ANALYST

Overview

As Amundsen Davis's Financial Reporting and Systems Analyst, Scott is responsible for the front-end interface functionality of the firm's financial programs and their seamless integration.

Scott has extensive experience in Finance, Economics and Accounting and has been with the firm for over 20 years. He is considered the operational expert for system and database related issues.

Prior to Amundsen Davis, Scott held diverse finance and accounting positions mainly in the banking industry.

EDUCATION

Northern Illinois University-DeKalb, B.S.
