Overview

Shannon (She/Her) enjoys the changing nature of the law, including its intricacies and daily challenges. As a litigator she is both determined and ambitious. She's always willing to give more, whether it's compassion, time or further assistance, in order to help her clients achieve the best possible result.

As a member of the firm's Health Care Service Group, Shannon represents hospitals, long term care facilities, medical groups, physicians and nurses. She assists with compliance issues and defends clients facing medical malpractice claims.

In addition to her passion for the law, Shannon is a big sports fan. She played Division I softball in college and continues to play in a slow-pitch softball league outside of work.
