PARALEGAL

Overview

Susan's compassion and commitment to clients greatly aids the firm's Trusts, Estates & Succession Planning clients.

Her empathetic approach ensures that clients and their families receive the guidance and consideration they need during often delicate times, while her attention to detail aids in the preparation and execution of critical legal documents.

Susan collaborates closely with attorneys to develop comprehensive plans tailored to each client's unique legacy goals. Her organizational skills and attention to detail are pivotal in creating wills, trusts, and powers of attorney, ensuring that clients' wishes are clearly articulated and legally sound.
