

Developments in Dealmaking and Proposed Regulation, and the Impact on M&A

Association for Corporate Growth; Webinar
October 11, 2017

Planning an acquisition or merger? Join the Association for Corporate Growth (ACG Global) for a complimentary panel discussion on the hot areas that can turn any acquisition into a success or failure.

Tax can have a significant impact on M&A deals, so it is essential to identify and address tax-related risks from the beginning. Understanding and planning for these implications may mitigate transaction risk, enhance the business opportunity and provide crucial negotiation insights.

Led by Eric Fogel and Dan Rahill (Alvarez & Marsal Taxand), attendees will hear about the different types of tax risks that typically come up in M&A transactions and how businesses can best allocate these risks between the parties involved in the transaction. Highlights include:

- Purchase Price Allocations
- Tax Return Audit Risk
- 338 Elections
- Tax Credit and Refund Allocations
- Anticipated New Tax Developments and Impact on M&A transactions
