

Weathering the Cyber Attack or Data Incident as a Business

2021 ATA Litigation Center Trucking Legal Forum, Seminar; Washington, DC
July 28, 2021

The American Trucking Association Litigation Center's annual Trucking Legal Forum provides trucking specific information regarding the most relevant issues facing the industry today. This must-attend event provides valuable insights to trucking executives, safety, risk and human resources professionals. The 2021 Trucking Legal Forum will be no different.

In an hour session, Lew Bricker and Molly Arranz will provide businesses with best practices to avoid data incidents and cyber attacks. This session will educate businesses on how to prepare for cyber attacks and what you should do if one occurs.
