

BIPA: The Ongoing Threat of Employee Class Actions and Recent Developments

Illinois Manufacturers' Association, Webcast
November 5, 2020

The Biometric Illinois Privacy Act (BIPA) was enacted over 12 years ago and many questions are still being battled in court as employers and employees continue to navigate this biometric privacy law.

Join Molly Arranz present a one-hour webcast hosted by the Illinois Manufacturers' Association where they review best practices and BIPA compliance. Molly will discuss recent BIPA decisions, how to defend against BIPA claims, BIPA requirements and pitfalls and how to ensure BIPA compliance.
