

# COVID-19 Vaccinations and Employer Responsibilities

Illinois Association Chamber of Commerce Executives, Webcast  
February 11, 2021 | 8:30 AM – 9:45 AM

Almost a year into the pandemic and the employment issues are just as complex, if not more complex. Join Julie Proscia for this timely seminar as she discusses the evolving responsibilities of employers in the workplace related to safety and health, specifically the issue of vaccines. Julie will focus on the limitations employers have in mandating vaccines in the workplace as well as the pros and cons of mandating or strongly encouraging vaccines.
