

Marijuana in the Workplace

Clear Law Institute, Webinar

February 7, 2019 | 3:00 PM - 4:15 PM ET

Are you a bit hazy on how to handle marijuana in the workplace? While marijuana may be legal in some states, it is not legal under federal law. Employers need to protect themselves, their employees, and their customers.

Join Heather Bailey for this practical webinar discussing ways to deal with the important issues of handling both employee medical marijuana users and employee recreational marijuana users.

Notable topics from this webinar include:

- How to create no tolerance policies
- How to update your drug testing policies
- How to properly handle those employees who report to work while under the influence of marijuana
- How to remain in compliance with the Americans with Disabilities Act for employees who use marijuana for a medical condition
