

Complying with Illinois Wage and Hour Laws

Lorman Education Services, Webinar
January 13, 2016

Wage and hour laws are constantly evolving; impacting Illinois employers every day. This timely topic will identify the most common wage and hour pitfalls for employers operating in Illinois; including a timely discussion of the new proposed U.S. DOL FLSA regulations on Illinois employers.

Jeff Risch leads this discussion, focusing on providing employers with practical solutions to help better defend against new litigation developments and Department of Labor (Illinois and U.S.) enforcement initiatives. Participants will learn to:

- Describe common wage and hour pitfalls/missteps.
- Identify exempt and non-exempt job duties.
- Recognize common compensable and non-compensable work time issues.
- Explain alternatives to common hourly and salary pay practices.
