

CyberSecure My Business Workshop

National Cyber Security Alliance; Chicago, IL
May 9, 2019

Take steps now to protect your small or medium-sized business/nonprofit from cyber criminals. The National Cyber Security Alliance's interactive CyberSecure My Business™ workshop, featuring Molly Arranz as a panelist, will help you:

- Identify which assets others want
- Protect those assets
- Detect when something has gone wrong
- Respond quickly with an action plan
- Recover from a breach
