

Dealing With Problem Employees: A Legal Response Guide

National Business Institute, Seminar; Naperville, IL
February 13, 2019 | 9:00 AM - 4:00 PM

Managing problem employees in a litigious society is difficult - but retaining underperformers, troublemakers, and those who abuse their benefits is not the solution.

Jeff Risch will present during this National Business Institute seminar, designed to guide you through how to effectively identify and cure problematic behavior in the workplace. Jeff presents two sessions titled, "Employees Gone Wild: Social Media, Alcohol, Marijuana Use and More" and Discipline and Termination: Top Mistakes That Lead to Legal Troubles."
