

Infectious Diseases in the Workplace

Illinois Chamber of Commerce, Webinar
March 15, 2016 | 10:30 am - 11:30 am

Betsy Ballek co-presents a webinar on infectious diseases in the workplace. Topics will include:

- Recognizing hazards and exposures
- Critical response: containment, mitigation and remediation
- Communicating with the workforce and public: balancing HIPAA and privacy concerns
- Workers' Compensation and Occupational Disease Act issues
- OSHA reporting
- Employee leave issues: FMLA, ADA and others
