

# Estate Planning Basics

Amundsen Davis, Webcast

May 8, 2019 | 12:00 PM - 1:00 PM CT

Everyone needs an estate plan, no matter their age, income, or number of assets. Investing your time in learning about estate plans and how to create one, will avoid any confusion down the line and will help take care of your family's needs. Join us on Wednesday, May 8 at 12:00 PM CT for an informative webinar as she discusses the basics of estate planning.

Attendees will learn:

- The purpose of a will
- Why you need an estate plan
- The benefits of a revocable trust
- Why having a power of attorney is essential for everyone

Who should attend? Newcomers and beginners, lawyers, and advisors wanting to develop their knowledge of estate planning

We hope you can join us!
