

It's About More Than Which Bathroom – Gender Identity Issues Changing Ideas, Changing the Workplace from the Canadian and US Prospective

USLAW, Conference; Chicago, IL
May 2017

Heather Bailey speaks as part of a panel on gender identity issues and the workplace at the USLAW Employment Exchange in Chicago. Attendees will learn about the Equal Employment Opportunity Commission's views on gender identity coverage under Title VII, recent court decisions and mitigating risk in gender identity claims. The panel will also include discussion about issues attendees are encountering in the workforce and a Q & A session.
