

What Government Contractors Must Know

Clear Law Institute, Webinar
July 21, 2016 | 1:00 pm - 2:15 pm ET

Hosted by the Clear Law Institute, this webinar specifies what a contractor's obligations are regarding compliance with the United States Government's Affirmative Action Regulations.

Heather Bailey discusses new regulations that concern disabilities and protected veterans, the workforce, job group and utilization analysis, goals and self-identification requirements and obligations to employers.
