

HR 101- Summarizing Fundamental Laws and Compliance Tips

Illinois Chamber of Commerce; Webinar
September 12, 2017

In this 90-minute live webinar presentation, Jeffrey Risch will provide participants a general overview of some of the most critical employment and labor laws for private businesses operating in Illinois and compliance “tips” to help any business comply with these laws in an efficient and cost effective manner.

Jeff will dispel common myths and misconceptions that provides management more ability to effectively manage. Topics include:

- the hiring process; employee counseling, performance evaluations and discipline
- managing separations
- coordinating employee leave
- improving wage and hour compliance
- preparing or revising employee handbooks and related policies and procedures
- ensuring effective supervision
