

Litigating Legal Issues Common to Assisted Living Facilities

Webinar
June 3, 2016

Demand for assisted living facilities is projected to continue growing at a steady pace given the ever-increasing baby boomer population in the United States. As such, it should be no surprise that assisted living facilities have become regular targets of litigation. Moses Suarez will focus on some of the common legal issues facing assisted living facilities including medical malpractice, premises liability, contractual disputes, and government regulation. The information provided will help lawyers navigate the complex environment of litigating cases involving assisted living facilities.
