

Preventing Wage & Hour Liabilities in the Health Care Industry

Indiana Health Care Association, French Lick, IN
April 20, 2016 | 12:45 pm - 1:45 pm

The Indiana Health Care Association Spring Conference, which focuses on workforce development, will include education sessions for administrators, human resources, owners/operators of long term care and assisted living facilities, department directors, regional/corporate representatives and nurses. The conference will take place in French Lick, IN, on April 19 and April 20.

On the second day of the conference, Jeff Risch and Suzanne Newcomb will present a segment on preventing wage and hour liabilities. Their breakout session will take place from 12:45 pm to 1:45 pm.
