

Critical Legalese for Start-ups: Organization, Agreements and IP

Irontek, Webcast

April 28, 2020 | 12:00 PM - 1:00 PM CT

Steve Sims and Tom Pienkos discuss key formational issues and contracts for start-up companies at this webcast. The presentation is broken down into the following areas:

1. the formation process, documentation and registration requirements;
2. important agreements that govern the relationships of the owners and managers of the company;
3. key contracts to review and mistakes to avoid; and
4. the all-important intellectual property of the business.

They'll cover components to consider and what to be wary of. We will explain what certain clauses mean in ownership agreements including "drag-along" and "tag-along" rights, restrictions on transfer, and calls and puts.

Join us to learn more about these business foundational topics, and many more valuable insights.
