

Fair Labor Standards Act

Lorman Education Services, Webinar

November 29, 2018 | 1:00 PM - 2:30 PM ET

Wage and hour class action litigation and wage and hour audits are some of the most devastating liabilities that employers carry. Noncompliance is generally not a 'one off', but systemic and results in hundreds of thousands of dollars in liability. Julie Proscia leads this webinar, hosted by the Lorman Education Services, providing critical information to ensure employers are compliant with FLSA and how to prevent wage and hour litigation.
