

Insurance Issues with the Rise of Medical Marijuana

Association of Lloyd's Brokers, Chicago, IL
March 15, 2016 | 9:00 am - 12:00 pm

Michael McGrory will be a panelist at the Insurance Issues with the Rise of Medical Marijuana Seminar at the Chicago Cultural Center Theater, located at 78 E Washington Street, Chicago, IL 60602. The program is hosted by the Association of Lloyd's Brokers.

Brokers and carriers face many issues when entering the new arena of insuring cannabis-based businesses, including:

- Discrepancies between federal and state law
- New types of risks arising under professional liability lines
- Other lines like CGL and workers compensation
- Case examples of how courts are ruling on cannabis-related issues

Other panelists include Ken Amann, CFO, Cresco Labs; Debra Goldberg, Managing Director, Medical Underwriting, Markel; and Tim Pietrucha, Account Executive, Arthur J. Gallagher.

Free for employees of Association member and colleague firms and Insurance Associates members. \$30 for non-members.

3 hours of continuing education credit from the Illinois Department of Insurance.
