

# Overview to Stay Compliant Within Employment Laws

Lorman, Webcast

September 1, 2021 | Noon CT - 1:30PM

It is important for organizations and employers to ensure that they maintain compliance with employment laws. Join Julie Proscia on Wednesday, September 1st at noon CT, as she discusses common myths and mistakes employers make when managing employee compensation. She will also explain common scenarios and pitfalls to avoid when managing employee absence, go over the complex interaction between FMLA, ADA and state paid sick leave programs, and discuss how to manage workplace conduct scenarios.
