

Preparing Your CMHCs for the Future

Speaking Engagement

Friends of Indiana Mental Health Centers

December 6, 2018

The Friends of Indiana Mental Health Centers is holding an educational seminar Thursday, December 6, 2018 at Amundsen Davis's Indiana office. The seminar is aimed at preparing Community Mental Health Clinics (CMHCs) for the future. Suzannah Wilson Overholt will present at the educational seminar, which gives updates on topics such as HIPAA, federal fraud and abuse, and audit requirements among other topics that can impact mental health centers.

Registration information is available through the Friends of Indiana Mental Health Centers.
