USLAW Network, Webcast
September 30, 2020 - October 9, 2020

Amundsen Davis joined with over 100 USLAW (www.uslaw.org) member law firms recently to participate in the USLAW Network Virtual Worldwide Retreat, a 10-day conference developed for general counsel, in-house counsel and all legal decision makers. The retreat included presentations that looked ahead, beyond the immediacy of COVID-19 issues, and addressed significant business, legal and economic issues while projecting what the future will look like in the next 12, 24 and 36 months.

Many Amundsen Davis attorneys presented over the course of the 10-day retreat and we are delighted to provide these presentations on demand below.
