

What Employers Need to Know About the COVID-19 Outbreak: Understand How the COVID-19 Outbreak Will Affect Your Workforce Strategy

Launchways, Webcast

March 20, 2020 | 11:00 AM - 12:00 PM

The COVID-19 outbreak is a rapidly-evolving situation which has led to numerous implications for employers everywhere. Business leaders are questioning which practices they should adopt during these challenging times. Launchways presents this timely webinar where Heather Bailey is joined by other expert panelists to provide answers to the most pressing questions in these unprecedented times. This webcast covers everything you need to know as an employer to adapt during the ongoing COVID-19 outbreak.

Panelists Will Cover:

- Understanding new legislative updates and how they will affect your human capital strategies.
- What are the critical human-resources best-practices you should be following during this turbulent time?
- How will this outbreak affect your employee benefits offerings & processes including FMLA, STD, & COBRA?
