

Women in the Workplace

Illinois Chamber of Commerce, Seminar; Glen Ellyn, IL
April 11, 2017 | 8:30 AM - 11:30 AM

The Illinois Chamber of Commerce hosts a workshop dealing with issues that come up for women in the workplace and how to deal with various types of sensitivity matters. Beverly Alfon co-presents this workshop, covering various communication styles, gaining respect within an industry, having confidence in your style of delivery, listening and getting others to listen to you, being adaptable to different types of situations and more.
