

Addressing Employers' Rising Costs of Health Care While Staying Compliant And Competitive

Event

Amundsen Davis; Webcast
July 31, 2024 | 10:00 AM CT

Join Rebecca Bush on Wednesday, July 31 at 10AM CT as we present a timely webcast for employers, discussing the rising cost of healthcare benefits. We will share ideas about what you can do to manage costs, stay competitive, and keep compliant. We also have tips and reminders for open enrollment season.

The webcast will cover:

- Managing rising costs while addressing GLP-1 coverage, mental health, and other prominent healthcare conditions
- Compliance considerations for wellbeing programs, spousal incentives, healthcare plan designs, and other levers for managing healthcare costs
- Ideas for closing coverage gaps while managing to a budget
- Open enrollment best practices and compliance reminders

Rebecca Bush will be joined by Kathleen Harris as a panelist to share her business expertise and insights. Kathleen is Head of People & Solutions Lead at Level. Prior to Level, Kathleen worked as the Vice President of Global Benefits for Time Warner.
