

African American Leadership Academy 2025 Retreat

Speaking Engagement

African American Leadership Academy, 2025 AALA Retreat, Newark, OH
January 4, 2025

Luke Fedlam will join a panel at the 2025 AALA Retreat to speak on the subject of "Black Wealth". Given the current political and economic environment, Luke will provide conversation about the importance of securing and furthering black wealth including providing practical tips and tools for leveraging one's current situation to grow prosperity in the community. This session will help answer the question on how to build real wealth from where you are right now.

You can read the full 2025 AALA Retreat agenda and register on their website.
