

Bankruptcy Insights: Navigating Business Impact with Confidence

Event

Amundsen Davis, Webcast

June 17, 2025 | 12:00 PM CT

Understanding bankruptcy is crucial for today's business leaders—not just for their own organizations, but in managing relationships with customers, vendors, and employees who may be affected by a filing. Join Banking & Finance Partner Martha Lehman for a practical webcast focused on recognizing and responding to the legal and operational challenges that can arise when bankruptcy enters your business ecosystem.

Topics will include:

- The main types of bankruptcy under federal law
- An overview of the automatic stay and its business implications
- Navigating supplier issues, contracts, and leases during a bankruptcy
- Proactive strategies to reduce risk and maintain business continuity
