

Crisis Program Overview 2024

Speaking Engagement

Northern Illinois Building Contractors Association, Seminar; Rockford, IL
June 12, 2024

Jack Sanker using his experience with OSHA and co-presenting with a third party safety professional presented, "Crisis Program Overview 2024" for the Northern Illinois Building Contractors Association. The presentation provided training for handling all aspects of an "incident" and the immediate response needed (e.g., OSHA notification, Media response, Fire/ police response, injury response, Union response, etc.).
